

2016

DELAWARE

WETLANDS

CONFERENCE

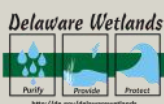

*Educate • Connect • Protect*

# Call for Presenters!

February 3 & 4, 2016

Chase Center on the Riverfront  
Wilmington, DE

<http://de.gov/dewetlandsconference>

*Advancing wetland science and conservation in the  
mid-Atlantic region.*

**Abstracts Due October 14th.**

**Goal:** To join scientists, decision makers, natural resource managers, and educators to disseminate current research on tidal and non-tidal wetlands, sea level rise, the value of wetland services, outreach and the impact their management has on the community.

**Format:** 2-days of concurrent sessions with 20 minute presentations and workshops on the latest advances in the science, management and outreach in wetlands. *Please note that due to increased interest the conference has been expanded to two days for 2016.*

## **Abstract Submissions for Oral and Poster Presentations Include:**

- Project title
- List of all authors and their affiliations
- Contact Information
- Brief abstract of 250 words or less.

If you are interested in presenting please [submit this form](#) to [Kenneth.E.Smith@state.de.us](mailto:Kenneth.E.Smith@state.de.us) by Wednesday, October 14, 2015.
